

CALLING ALL MEMBERS FOR IMCAS ASIA 2019

IMCAS is proud to present yet another new and exciting edition of IMCAS Asia from July 5 to 7, 2019 in Bali, Indonesia.

With an expected 2,200 attendees, 150 international speakers and 85 companies, IMCAS Asia presents a scientific program fully charged with the newest and most innovative content. Built around 15 key themes, the sessions offer comprehensive lessons and trainings in clinical dermatology, injectables, lasers & EBD, regenerative medicine, genital treatments, hair restoration, cosmeceuticals as well as face, breast and body surgery, subjects to underpin your professional development.

IMCAS Asia 2019 amounts to be three-full days of education in one of the most spectacular destinations. Join us in Bali, indulge in its stunning nature and exotic scenery, but most importantly, be part of the world's leading plastic surgery, dermatology and aesthetic science congress.

[Register now](#) and benefit from the early bird rate before **June 3, 2019**.

For your hassle-free congress preparation, book directly through the [IMCAS website](#) and benefit from special hotel reservation rates. It is "badge and hotel" in one easy package.

We look forward to sharing this unique learning opportunity with you!
